\* Meter Tampering Fees are extra fees in addition to any equipment costs associated with replacing the meter, if needed; equipment costs will be added to customer's bills in addition to their regular usage charges on an average cost basis for 6-billing cycles. For example, if replacement meter costs are \$120, the customer will be charged an additional \$20 for 6-billing cycles.

This listing is a representation of certain aspects of the City's Fee Schedule presented within the FY 2017 Budget Ordinance and is not intended to be all inclusive.
